Reviews

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

J2EE ARCHITECTURE (WITH A COMPANION CD)

Tata McGraw-Hill Education Pvt. Ltd., 2006. Softcover. Book Condition: New. First edition. By now, the J2EE platform is field-proven to be an excellent base for large-scale, mission-critical applications. However, learning and adopting it can be a steep learning curve. To mitigate that issue, you need a robust development tool and a book to cover all the aspects of the J2EE platform. This book, J2EE Architecture: An illustrative gateway to enterprise solution, and its companion CD addresses both needs. Parts I through III offer an illustrative approach to help you understand the technology. The material, comprehensive and well organized, appeals to the academia and industry alike. James Gosling, Chief Technology Officer Java Developer Products, Sun Microsystems Inc, USA Jeff Jackson, Vice President, Java Developer Products Sun Microsystems Inc, USA Get the full benefit of all the brilliant aspects of the J2EE platform. Never before has such an illustrative approach been used to explain J2EE architectural concepts and application design to developers and designers. Learn how to build prototypes and deploy enterprise solution with ease! The companion CD ROM consists of a multi-media based audio-video guide that provides a stimulating understanding of the fascinating world of J2EE. From the Prologue The book has been well designed to help a variety of professionals, particularly the developer as well as the student community. It not only covers the concepts, but also helps the readers in building the proof of concept to enable them develop and deploy prototypes. The book is structured well and has adopted a simple and elegant way to build and clarify the concepts on various aspects of the J2EE technology. It is rich with illustrations, anecdotes, trivia and includes a multimedia package. Kris Gopalakrishnan Chief Operating Officer, Infosys Technologies, Bangalore Part I: The chapters in this part delve into the historical...
