Guangxi Travel Guide

By -

Turtle Travel Edition. Taschenbuch. Book Condition: Neu. 220x150x4 mm. Neuware - Please note that the content of this book primarily consists of articles available from Wikivoyage or other free sources online. Guangxi is a relatively poor but highly scenic area in southern China. Technically it is known as the Guangxi Zhuang Autonomous Region, because of its large Zhuang minority population. The major tourist attraction of Guangxi is Guilin, a town famed across China and the world for its spectacular setting by the Li Jiang (Li River) among severe karst peaks. It also used to be the capital of Guangxi and Jingjiang Princes' City, the old princes' residence, is open to the public. Ethnic minorities in Guangxi, such as the Zhuang and Dong, are also interesting for tourists. The northern part of the province, bordering with Guizhou, is home to the Longsheng Rice Terraces, some of the steepest in the world. This book offers information on Southwest Chinese region Guangxi and its most notable places. 84 pp. Englisch.
