REPUBLICAN ECONOMICS: NO CONTEST -- NOT EVEN CLOSE (DEMS ALWAYS BETTER). THE HISTORICAL RECORD. (PAPERBACK)** ebook.

Hyacinth Editions, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Democratic and Republican Parties are virtual opposites of each other in their economic records, going back to the earliest period for which economic data were available, around 1910. More than a dozen studies have been done comparing economic growth, unemployment, average length of unemployment, stock market performance, inflation, federal debt, and other economic indicators, during Democratic and Republican presidencies and congresses, and they all show stunningly better performance when Democrats are in power, than when Republicans are. These studies are all available online, and they are all summarized and discussed in this path-breaking book, which settles, once and for all, the question of whether there s any significant economic difference between the two Parties. Not only is there a difference, but - shockingly - it always runs in favor of Democrats in power. There might be other types of reasons for voting Republican, but all of the economic reasons favor voting for Democrats. Regarding economic performance, the two Parties aren t even close. ----- CONTENTS 4: Democrats Are Better for the Stock Markets 10: Democrats Are Plain Better for the Economy 19: The Grand Old Prejudice Causes Economic Stagnation 40: Democrats Reduce, Republicans Increase, Government Deficits 46: Republicans Actually Win by Punishing the Nation 105: Conservatism Is Based Only on Faith 114: Trickle-Down vs. Percolate-Up Economics 122: Republicans Harm More than Just the Economy 123: Would Romney Be Better than Obama? 125: References/Sources.
