JustFiction Edition. Paperback. Book Condition: New. Paperback. 196 pages. Dimensions: 8.7in. x 5.9in. x 0.5in. Before we begin, let's make one thing clear. I am NOT a girl detective. I don't prance around with a magnifying glass in my pocket or a little satchel to keep my notes or fingerprint kits. I don't hunt down haunted mansions. I don't interrogate seedy pawn shop owners. Well, I may have done that before. Like, three years ago, if you want to get all quantitative about it. Three years ago I would have dropped everything, just to solve the murder of the mayor. Or find out who purloined the prized paintings. Do these things sound familiar to you? And overly alliterated? They should, because just three years ago, I was a living breathing trope, if not a total cliché. I was a classic girl detective character. I was a Nancy Drew. I was one of those meddling kids. Yes, that may all have been true, but my point is that it was all the past. Whoever I may have been, I am not that person anymore. Contrary to popular belief, people can change. I did change. And I would have liked to stay changed, but that didn't happen. Instead, my best friends decided to pop back into my life, and subsequently, so did a mystery. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
