Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Province of Quebec, Its History, and Its People: A Paper Read Before the Associate Board of Trinity College, Worcester, Mass;, Monday Evening, Dec; 14, 1903 Despite the works of History, the labors of Historical Societies, hand books of travel, the army of summer tourists, and the wonderful enterprise of the newspaper world, the old saying that not one-half of the world knows how the other half lives is almost as true today as it was in the distant past. Stretching away to the north of the New England States and beyond is the Province of Quebec, a country that is a veritable terra incognita to the great majority of their neighbors to the south, the people of the United States. To the great majority of these the name recalls only a very limited territory where winter reigns during the greater part of the year, devoid of interest, and peopled with an unprogressive if not a very inferior race - a downtrodden people whose rights are denied them by an exacting and oppressive government beyond the seas. A little time given to a consideration of this portion of the western hemisphere - its extent, physical characteristics, history, and the everyday life of the people - may not be without interest and value while serving to make neighbors better acquainted with each other and appreciated. A little reflection and thoughtful consideration will also teach lessons of toleration and justice to the residents and law-making powers in the United States, the boasted land of freedom, equal rights and justice, but where in many things these high sounding and seductive claims are not so happily exemplified as in...
