You know that its important to talk with your kids about sex. But if youre like most parents, you get tongue-tied just thinking about having the big talk. Even if you know exactly what youd like to say, you may have no idea when or where to begin, or how to get your message across. This book can help. The Big Talk shows you how to have warm, nurturing conversations about puberty, dating, relationships, and sex. Drawing upon hard-won personal experiences and the experiences of teens and parents whose stories appear throughout this book, Laurie Langford makes communication easy. She shows you how to talk about values and self-respect, setting high standards and sticking to them, and having fun with members of the opposite sex without being pressured into sex too soon. She also supplies sample dialogues, games, role-playing exercises, and other useful tools for breaking the ice and keeping the lines of communications open. This item ships from multiple locations.
