Date :2009-4-1. Ji once said: The young do not know real depression. Is that true teenagers really like most people think of as carefree. is the best time of life do I want to. The only problem is in the adolescent period we are most qualified to answer. Our group is not a natural optimist. we have our own troubles and confusion. As the saying goes: Every family has its cupboard. Youths had actually cupboard it is true. Adolescent physical and mental development of our life in the fastest. the most critical period. The most brilliant season of life and the rainy season are also in this period. We do not need as adults to run around for a living. not as ignorant as the timid child. we should enjoy a carefree life. however. the imbalance in physical and mental development has brought us a lot of psychological problems. so that we can not as others imagine perfectly healthy. happy and grow! overnight. our hearts will be changed dramatically. Things which we like. at this time has become something we loathe; study and examination become our enemies: some physiological changes become our hiding something; for the opposite sex's curiosity Let us restless; had very good students but now how can one not pleasing to the eye; in front of difficulties and setbacks that we breathe is always the weight: at home and school has always been proud to do our good boy suddenly began to contradict their parents and teachers a series of changes . . a serious impact on our body and mind. so that we can not use a...
