By Walter H Parker

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from School Buildings The purpose of this publication is to familiarize those interested, architects, schoolboards, instructors and students, of the requirements and the solution of such requirements, in the successful planning of school buildings. There is no claim to originality in any part of the work, there being at the present time many able authorities on school buildings in this country and in others, all of whom agree upon various theories and the practical application of such, to the extent that certain practice has been arrived at, the derivation of which may be readily retraced by any thinking individual familiar with the subject and having at his disposal all of the works upon the subject. Where statements are made herein, they are based upon the composite standards of practice as advocated by the various authorities. The book is namely a memoranda reference book, for those interested, and as such, contains information readily found in brief, eliminating miscellaneous detail.
