This book is an easy blueprint for success and should be in your library. I highly recommend it. Emile Allen, M.D. Author of Eaten By The Tiger Knowing what you need to do to become successful in life is common sense, getting yourself to do what you need to do is something quite different! Success leaves clues and what successful people do has a pattern to it. If you want more success and fulfilment in life and you want to know what other highly successful people do then The 8 Principles of Success is for you! This easy to digest step by step success guide gives you exactly what you need to get you on the fast track to success. Inspiring and comprehensive, this self help book covers the detail you need to know which makes the difference between success and failure. Success secrets are revealed so you can save time achieving what you need to achieve to become fulfilled in life. If you want: More self esteem More self confidence Greater fulfilment To set goals and stick with them To stay motivated, focused and balanced Faster results To get up and stay up Clarity of where you are going and what you want out of life To get out of a rut Better relationships To be fitter and healthier with more energy then this book is for you. A personal note from the author Steve Harrington I have been fortunate enough in my life to experience great success in many areas then have it all taken or thrown away. I say fortunate because I have managed to get it back again and in the process learned...
