Candlewick, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Browne makes the surreal accessible and appealing for children. His gorgeously detailed illustrations pace the story perfectly, alternating busy, wide forest shots with close-ups of Bear against a white background working his magic. . Preschoolers will identify with the pragmatic bear and wish for a magic pencil of their own. The Horn Book Bear's slightly surreal journey is perfectly paced and just right for the most imaginative tots. As Bear continues, he meets Crocodile, Lion, and Elephant before coming to a wall, which he neatly takes care of, too, by drawing a bear-sized hole and stepping through. Although the book closes with Bear saying bye-bye, children will happily imagine further adventures. Booklist Online.
