Brand New Book ***** Print on Demand *****.Excerpt from The Biglow Papers It will not have escaped the attentive eye, that I have, on the title-page, omitted those honorary appendages to the editorial name which not only add greatly to the value of every book, but whet and exacerbate the appetite of the reader. For not only does he surmise that an honorary membership of literary and scientific societies implies a certain amount of necessary distinction on the part of the recipient of such decorations, but he is willing to trust himself more entirely to an author who writes under the fearful responsibility of involving the reputation of such bodies as the S. Arch ol. Dahom., or the Acad. Lit. et Scient. Kamtschat. I cannot but think that the early editions of Shakespeare and Milton would have met with more rapid and general acceptance, but for the barrenness of their respective title-pages; and I believe, that, even now, a publisher of the works of either of those justly distinguished men would find his account in procuring their admission to the membership of learned bodies on the Continent, - a proceeding no whit more incongruous than the reversal of the judgment against Socrates, when he was already more than twenty centuries beyond the reach of antidotes, and when his memory had acquired a deserved respectability.
