Unger takes the reader on a fictional tour of Old Saxony during the 30 year Saxon wars and tells of courage and honor that many people believe are missing in our modern world. The author believes that history is only kind to the victors and that every story has two sides. The three stories revolve around Unger s fictional character named Tarr. In many ways, Tarr has the same weaknesses and strengths of a modern man. But he is a man of strong convictions that does not know when or how to quit. Tarr faces many challenges and surmounts them, even in death.

### Reviews

*I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
