THE STINKERSTANKS (PAPERBACK)

Brand New Book ***** Print on Demand *****.WHAT WOULD YOUR WORLD BE LIKE IF YOU DIDN T TAKE SHOWERS, BATHS OR WEAR PERFUMES? This comedy fantasy, THE STINKERSTANKS, is unlike anything you ve ever seen, read or imagined. This ridiculously imaginative tale is set in a world where you never touch water, wear the same clothes and your constant companions are a cloud of flies. This audaciously bizarre tale explores the marriage between the Stinker and Stank families, amid strange rituals and customs. Find out why a clothespeg can make the difference between being married or not. This story is irreverent, wise and heartwarming concerning this marriage scent from heaven. However noses are out of joint when uninvited guests arrive at the wedding. The STINKERSTANKS is a parable about being true to our origins and loving the smell of our own skin. It s a story of true love--- and how it reeks--- and a story that shows there s humor in even the grossest human habits. Yet the story s message is simple: In the end we re all the same and we re all important --- some of us just smell a little worse than others. Those brave readers who know a good thing when they smell it, will no doubt rejoice as they experience the world of the STINKERSTANKS, even if it reeks.
