The elementary book to which reference has just been made, was intended to initiate the beginner by easy steps into the art of composition; the work now offered to the public has a wider scope, embracing a variety of subjects worthy of the attention of advanced pupils, and presenting much important matter heretofore scattered through a number of different textbooks. Claiming to give a comprehensive and practical view of our language in all its relations, this Advanced Course views it as a whole,...

### Reviews

*Very good e-book and valuable one. It can be written in basic words and phrases and not confusing. You will not really feel monotony at whenever you want of your own time (that's what catalogues are for concerning should you check with me).*
