MIDDLE TENNESSEE STATE UNIVERSITY (PAPERBACK)

DOWNLOAD

Arcadia Publishing (SC), United States, 2001. Paperback. Book Condition: New. 235 x 165 mm. Language: English . Brand New Book. Middle Tennessee State University was founded in 1911 as a two-year training school for teachers and has since evolved through myriad changes--in name, in size, in administration, and in academic and athletic resources. Change has also swept through the campus with the ebb and tide of the American climate during some of the twentieth century s most turbulent eras, including World Wars I and II, the New Deal period, and the Civil Rights Movement. What has remained steadfast through the years at this revered Tennessee institution is a commitment to excellence, and a faculty, staff, and student body in constant pursuit of the rewards of higher education. Located on a 500-acre campus in Murfreesboro, Middle Tennessee State University boasts a wide array of opportunities for a student population of nearly 20,000. Courses in everything from agriscience to aerospace, from criminal justice to the recording industry offer budding scholars a chance to explore a wide variety of disciplines, while they also enjoy participating in team sports, academic societies, and social organizations. Within these pages, students, alumni, and friends of the university will travel down memory lane through a unique photographic tribute to the Blue Raiders. Images of dormitories in the 1920s, World War II campus drills, the first Greek organizations, General MacArthur s visit, homecoming floats, band performances, and early sports teams illuminate the school s colorful history.
