

## Rape on the Public Agenda: Feminism and the Politics of Sexual Assault (Paperback)

By Maria Bevacqua

University Press of New England, United States, 2000.

Paperback. Book Condition: New. 221 x 152 mm. Language:

English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.

Women's responses to rape have taken many forms over the past three decades, from guerrilla actions targeting individual assailants to the founding of rape crisis centers. This timely book illuminates the movement's importance to the broader women's movement and discusses the public policy implications of this activism. Maria Bevacqua locates the roots of rape consciousness, traces the evolution of an anti-rape ideology on the feminist agenda, describes how the rape issue moved to the wider public agenda, and investigates the various manifestations and strategies of anti-rape politics. She examines how feminists first articulated the rape experience as a women's issue, traces the evolution of anti-rape ideology over a thirty-year period, and considers recent tensions in the movement, including allegations of a feminist date rape hype in the media and in the academy. The author untangles the public and legislative responses to the rape issue, analyzing both the political context that made policymakers receptive to anti-rape goals and the effect of the anti-rape movement on American political and social life.

### Reviews

*Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Annette Boyle**

*This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).*
