That night, Booth became one of history s most infamous assassins when he shot President Lincoln at Ford s Theatre in Washington, D.C. Perhaps not surprisingly, the actor s flair for the dramatic came at a cost to the plot. It took almost no time for the shocked public and the federal government to begin unraveling Booth s conspiracy, which had mostly faltered from the beginning. Following the shooting, America s most famous manhunt commenced, and it was a 12 day pursuit that became the stuff of legends and controversy itself. Eight others were eventually tried for their alleged involvement in the plot and convicted, and four were hanged shortly thereafter as a result of some of the nation s most famous trials. Though the conspiracy and the other conspirators as a whole are often forgotten, the most well-known among them today is probably Mary Surratt, whose boarding house was used by the conspirators (including her son) to hatch and plan out the conspiracy that ultimately culminated with the Lincoln assassination. However, while the cases against the other...
