## STANDARDS AND PUBLIC POLICY

To get **Standards and Public Policy** PDF, remember to follow the button listed below and save the document or get access to other information that are highly relevant to STANDARDS AND PUBLIC POLICY book.

Cambridge University Press. Paperback. Book Condition: New. Paperback. 414 pages. Dimensions: 9.1in. x 6.1in. x 0.9in. This book was first published in 2006. Technological standards are a cornerstone of the modern information economy, affecting firm strategy, market performance and, by extension, economic growth. While there is general agreement that swift movement to superior technological standards is a worthwhile goal, there is much less agreement on the central policy questions: Do markets choose efficient standards How do standards organizations affect the development of standards And finally, what constitutes appropriate public policy toward standards In this volume, leading researchers in public policy on standards, including both academics and industry experts, focus on these key questions. Given the dearth of applied work on standards and public policy, this volume significantly advances the frontier of knowledge in this critical but understudied area. It will be essential reading for academic and industrial researchers as well as policymakers. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
