Reviews

The ebook is fantastic and great. I am quite late in start reading this one, but better then never. I am just effortlessly could possibly get a enjoyment of looking at a created ebook.

(Mr. Kevin Herzog)

A CLASS-BOOK OF ORGANIC CHEMISTRY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Class-Book of Organic Chemistry This little volume has been written as an introduction to organic chemistry for the use of first year medical students and for senior science students in schools. By treating the theoretical and practical sides of the subject concurrently, it is intended that the book may serve the double purpose of text-book and laboratory manual. It is divided into three parts. In the first part the general principles underlying determinations of purity, empiric and molecular formulae and structure, are explained and illustrated by a careful study of two of the most familiar and most easily procurable organic substances, viz., methyl and ethyl alcohols. In the second part, the aliphatic compounds are described in a more systematic fashion; and the third part is devoted to a brief account of the more important members of the aromatic series. It is hoped that the book will fill a gap and serve the purpose for which it was written. I wish to acknowledge the valuable help I have received from Mr. A.T. Simmons in the correction of the proofs. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
