I had compiled a lot of information into an outline like document, but that was a LOT of work! From the first few months to now, I've been wanting a single source I could grab when I was looking for an item to use in a spell, ritual, or other magical working. I got a wild idea and took everything I have about correspondences and put it all together. What I came up with is Correspondences for the Pagan Practitioner. What does Correspondences for the Pagan Practitioner cover? *Colors *Candle colors *Days of the week *Elements *Essential Oils *Crystals and Stones *Herbal and Botanical *Flowers *Food *Moons The best part of all of this is that there is almost no extra content! You will find pages of lists and tables to help you as you plan your next working!.

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
