Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

(Prof. Buddy Leuschke)

FEAR IN THE DARK: V. 13

Ransom Publishing. Paperback. Book Condition: new. BRAND NEW, Fear in the Dark: v. 13, Peter Lancett, Jan Pedroietta, This title is one of a series of reading books for children and young adults aged 11 and over who are struggling to read. "Dark Man" is a fiction series for older children and young adults who have a reading age of approximately 5 to 8. Each book features the character Dark Man, a shadowy, brooding loner who shuns society, living in the shadows. Recruited to play a part in a secret, cataclysmic struggle between good and evil, his continued mission is to seek out an artefact, a Golden Cup, which can channel limitless power and energy. Opposed to him, and also seeking to find this cup of power, is a sinister and corrupt organisation, The Shadow Masters. The book has a strong plot to engage the reader, however reluctant, and features dark evocative illustrations. The simple, carefully written text (under 400 words) focuses on the most common words, providing access for even the poorest readers. In "Fear in the Dark" the Dark Man enlists the help of a girl to find the mystical Rod of Iron, which can control the future. But the Shadow Masters also seek the Rod of Iron. Software and teacher's support materials are also available.
