PROCESS SIMULATION AND CONTROL USING ASPEN

Paperback. Book Condition: New. Not Signed; Solving the model structure with a large equation set becomes a challenging task due to the involvement of several complex processes in an industrial plant. To overcome these challenges, various process flow sheet simulators are used. This book, now in its second edition, continues to discuss the simulation, optimisation, dynamics and closed-loop control of a wide variety of chemical processes using the most popular commercial flow sheet simulator ASPEN(TM). A large variety of chemical...
