Excerpt: . these negative results the practical temper either of these thinkers or of the English people is adequately reflected. There is a deep religious earnestness native to the English mind which ever holds practically to the great verities, even where theory fails. The very cutting loose from traditions, eminently characteristic of the thinkers we have been considering, is, in a deep sense, faith in the individual and in his validity! English institutions eloquently point in the same direction. It is the same with English poetry, where George S. Morris says we find the best English philosophy, from Spenser, influenced by the Platonic revival, and Shakespeare, the poet of the moral order, to Tennyson, with his message of self-reverence, self-knowledge, selfcontrol. It is Philonous who says to Hylas, as his parting words, You see, Hylas, the water of yonder fountain, how it is forced upwards, in a round column, to a certain height; at which it breaks, and falls back into the basin from whence it rose, its ascent as well as descent proceeding from the same uniform law or principle. Just so, the same principles which, at first view, lead to scepticism, pursued to a certain point, bring men back to common-sense. In a deeper and better sense than even Berkeley knew, this loosely symbolizes English philosophy coming to its own. When it really shall have come to its own, it will have consciously achieved the inevitable dialectical advance to a recognition of the...
