COLORING BOOK FOR GIRLS: FASHIONABLE GIRLS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2009. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.FASHIONABLE GIRLS - A Coloring Book for Girls By Satyanveshi Coloring is an important activity in our lives. No matter how old we are today, we have had to go through this activity during our schooling. It has been made important to us for a lot of reasons and it is good to keep the importance alive for the younger generations. The activity of coloring initiates ones interest in art. It is not only a start to learning this skill, but it also improves us to have a better and wider perspective of life.! From the very early age, there are some mandatory differentiations which we have been following from times unknown. From the clothes that we make them wear to the choices that they make themselves, tend to differ. So while going through coloring pages, youd notice your daughter being more keen on having some fairies printed rather than two boys fighting Kung Fu. This is the reason why this book has been specially designed for girls with designs your daughter would love to color.
