Brand New Book ***** Print on Demand *****.Excerpt from Health and Power Through Right Thinking These printed articles on Health and Power Through Right Thinking are the substance of a series Sunday Evening Addresses on the same general theme. The pulpit from which they were delivered still labors to save men s bodies and to prevent disease caused by ignorance and vile sanitary conditions. It is interested in sanitation, pure food, good housing conditions and economic justice. But it has also awakened to the recognition of the mental factor as one of the great underlying causes of human happiness and misery. In the preparation of these articles the author has sifted much literature and experience and passes it on in this condensed form to those who are unable to do so for themselves. He also wishes to reach that wider circle who did not hear the spoken word. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
