Brand New Book ***** Print on Demand *****.Excerpt from Strategic Orientation of Business Enterprises: The Construct, Dimensionality and Measurement This paper reports the results of a research aimed at conceptualizing and developing valid measurements of key dimensions of a strategy construct - termed Strategic Orientation of Business Enterprises. This construct is defined by addressing four important questions in terms of six key dimensions. An evaluation of the measurement properties indicated that the operational measures developed here largely satisfied the criteria for unidimensionality, convergent, discriminant, and predictive validity. Implications and lines of extensions are outlined. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
