Reviews

Extensive guide! Its this kind of great read. It is really simplistic but excitement from the 50 percent of your pdf. I am just quickly will get a pleasure of looking at a composed book.
(Tomas Bins)

THE KYBALION

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 102 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. The Kybalion is the essence of the teachings of Hermes Trismegistus, published anonymously by a group or person under the pseudonym of the Three Initiates. The book purports to be based upon ancient Hermeticism, though many of its ideas are relatively modern concepts arising from the New Thought movement. The book early on makes the claim that it makes its appearance in ones life when the time is appropriate and includes variations of material found in the book of Proverbs. Mental Transmutation (also described as Mental Alchemy, the Art of Mental Chemistry, and the Art of Polarization) refers to the art of changing and transforming ones own mental states and conditions, as well as influencing those of others. It is also called a form of Mystic Psychology and is the foundations for one of the universal laws: The Law of Attraction. This item ships from La Vergne, TN. Paperback.
