## THE COMPLETE CLOUD OF UNKNOWING: WITH THE LETTER OF PRIVY COUNSEL

DOWNLOAD

Paraclete. 1 Paperback(s), 2015. soft. Book Condition: New. Written by an anonymous author in the 14th century, The Cloud of Unknowing is a profound masterpiece of theology, centered around the belief that the reality of God cannot be understood through intellect or emotion, but only through a rejection of all earthly means. For this edition, Father John-Julian has translated the text from Middle English, with his substantial annotations clarifying biblical and historical references as well as highlighting key parts of the text appearing on the opposite page. Also included here, the same anonymous author's The Letter of Privy Counsel is a sequel of sorts, in which he further elaborates on this mystical approach to prayer." Father John-Julian has captured the beauty, humor and literary elegance of the original versions, but also has supplemented his translation with detailed notes that convey the subtle spiritual insight that makes these works required reading." Carl McColman 293.
